2017 Summer Art Camps

Enjoy the Fine Art of drawing, painting and sculpting in a fun and safe environment for kids 6-17 years in age. With the fundamentals each young artist will learn throughout the week, they will have the opportunity to produce numerous works of art- which they get to present in an Art show at the end of their final day of camp. Each artist will further develop their existing natural creative talents, build confidence and have fun too! Each weekly session will have different projects this allows you to sign up for more than one camp during the summer. There's a non refundable registration fee of \$50 to reserve the spot. Camp tuition is \$95 for the week.

We offer three age groups: our Explorers ages 6-8, Adventures ages 9-12 and Teen camp for ages 13-17. These camps are designed for both boys and girls. We have to have a minimum of 6 students in each camp. Ratio is 1 camp leader per 12 kids.
