

NEW EXCITING LEGO® CAMPS

Kids are already naturally gifted and they love to be creative. They will have an opportunity to build, explore, wreck it and repeat. Each day will be a new LEGO® challenge. Then they get added inspiration from our trained instructors. They will dive into our massive collections of LEGO® parts. And while they build elaborate projects, cities, structures and vehicles, and much more, they will explore the fundamental principles of engineering and physics. They also learn to collaborate and create without fear of mistakes. The experience is creative, fun, and the impact can be long-lasting.

Our goal is to have our students foster a greater appreciation of how things work and encourage the qualities of problem solving and critical thinking skills. We want to help build self reliance and self-confidence in children.

Cost : \$40 non-refundable fee to reserve spot. Tuition is \$80 for the week.

We have 4 camp dates to choose from:

DATE	TIME	AGE
June 12-16	9 am- 12 pm	6-8
June 12-16	12 pm- 3 pm	9-12
July 10-14	9 am – 12 pm	6-8
July 10-14	12 pm – 3 pm	9-12
